CUM CRIMINALS

// TERA PATRICK CATCHES A CROOK, AND A MOUTHFUL OF HOT JISM!

I don't want the cash—I want your sticky seed!//

As the early morning smog settles in, the citizens of Valley Town, California are fast asleep, knowing nothing of the terror plotted against them by criminal mastermind, T.T. Boy. His plan to blow up the city's power grid could mean riots, fires, chaos, or worse—a grinding halt to the porn industry! My name's Tera. I keep the world of smut safe for pervs and degenerates of every stripe. I tracked T.T. to his warehouse hideout, where I found him on the edge of madness, perfectly willing to follow through on his threats. This man obviously wasn't getting any! Giving him some hot, wet pussy seemed like the only way to save the city. I gave him the fuck of his life, but the crafty crook slipped away before I had a chance to get what I really wanted: To find out what the hell "T.T." stands for! Next time, T.T.! *Next time!*

tart of the month

//NATASHA

Bury your face in my hot, sweaty asshole!//

Have you ever watched a sexy 19-year-old blonde lounging by the pool in nothing but a skimpy bikini? Of course you have! You just want to go up to her, spread her ass globes and slip your tongue between them, don't you? You want to lick her sweet little butthole while reaching around front and grabbing her ripe teen breasts. You want to clutch her firm hips, then take your rock-hard sperm-shooter from your pants, line her up just right, and stuff yourself inside her. It'd be slow at first, but once you work her tight pussy with a handful of spit, she'd lube up and take you to the hilt. Her cum trap would be tighter than a fist full of money! She'd squeeze your prong as she rode you with an agonizing delight. It's too good to be true, you'd think. But it's not. It's March Tart Of The Month, Natasha, and she's cumming for you!

homebody of the month// ANALISE

Help me clean those hard-to-reach places!//

It's bath time for March Homebody of the Month, Analise, which means it's jerk-off time for the rest of us! As she strips down and eases her foot into the soothing tub, she gets a classic case of goosebumps, and her nipples react in kind. Lowering her luscious body into the warm, sudsy water, the relaxation she feels is quickly replaced by arousal, and a dire need to do something about it! She spreads her knees wide and reaches between her legs for that special spot that gets her going. With one hand she rubs her wet nubbin while the other hand smoothes up and down the inside of her slick, hungry thighs. She reaches deep, curling her fingers inside her soaked snatch and giving herself love tickles around her puckered, wet butthole. Rubbing herself to an intense place, she switches to a dildo, cumming hard and furiously on the fake prick. You really enjoy your bath time, huh, Analise? Wanna play with our toy submarines?
